

Dear Parents or Caregivers,

Here is one way you can listen to the word of God with your child(ren).

LISTEN: Within a quiet moment of your day, invite your child(ren) to sit with you and read Matthew:37-39 slowly and at least twice. Perhaps your prayer table is close and you could light a candle first. Then meditate on the scripture together. Start by asking "What words did you hear?" (maybe it's the word strength, heart or neighbour)

WONDER: "What does it mean to love God with your whole heart?" (soul, mind and strength). "What could loving God in all these ways look like each day? over this week? over our lifetimes?"

PRAY: "Dear God, Thank you for these Laws of Love. Help us to love you with all that we are, each day and in every way. Amen"
