“Love your enemies,” Matthew 5:44a

1. Where was Jesus when he said these words? Who was he speaking to? (read the beginning of Matthew 5)
2. Together read and remember the great commandments that Jesus said (Luke 10:27 or Matthew 22:37-39). **Love the Lord your God with all of your And Love your neighbour as yourself.** Together ask, Who is our neighbour? Who is our enemy?
3. What does loving our enemy look like? (empathy, loving act,) How do we find strength to love those that hurt us? (prayer, reading bible, sharing with family) Why should we love our enemy?
